Sir:

REQUEST FOR EXTENSION OF TIME

The Patent Owner requests a one month extension of time to provide the Examiner with comments to a protest filed against the above-referenced reissue application in accordance with the Office Action of October 25, 2000. The petition fee of \$110.00 is attached. A fully responsive paper requires the review of another patent that had been in reexamination. Despite attempts over the last three weeks to locate the file of this patent in the USPTO, the file has not yet been located. The Patent Owner requests a one month extension of time to respond to the protest in the hopes of locating the file within this time period. A representative of the Patent Owner had contacted Group Director John Poll on Friday, November 3, 2000, and he had indicated
